WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinators and others in the affected counties indicate that an additional targeted suspension of specific regulatory requirements are required to effectively respond to and recover from the effects of this event; and

WHEREAS, these conditions threaten the public peace, health, and safety of citizens of the State of Iowa and have damaged and destroyed public and private property. Because of this, they provide legal justification for the issuance of a Proclamation of Disaster Emergency pursuant to Iowa Code § 29C.6 (1).
