

IN THE NAME AND BY THE AUTHORITY OF THE STATE OF IOWA

PROCLAMATION OF DISASTER EMERGENCY

WHEREAS, on March 19, 2025, and continuing thereafter, a severe winter storm system affected the state of Iowa; and

WHEREAS, this winter storm system caused severe weather, including damaging winds, straight-line winds, mixed precipitation, areas of heavy snowfall and blizzard conditions resulting in significant damage to public and private property, power outages resulting from downed power lines and poles and vegetative debris; and

WHEREAS, Crawford, Harrison, Monona, Shelby and Woodbury Counties suffered significant damage from this event; and

WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinators and others in the affected counties indicate that local resources and capabilities have been exhausted and that state assistance and resources are needed to respond to and recover from the effects of this event; and

WHEREAS, these conditions threaten the public peace, health, and safety of citizens of the State of Iowa and have damaged and destroyed public and private property. Because of this, they provide legal justification for the issuance of a Proclamation of Disaster Emergency pursuant to Iowa Code § 29C.6 (1).

NOW, THEREFORE, I, KIMBERLY K. REYNOLDS, Governor of the State of Iowa, by the power and authority vested in me by the Iowa Constitution Art. IV, §§ 1, 8 and Iowa Code § 29C.6 (1), and all other applicable laws, do hereby proclaim a **STATE OF DISASTER EMERGENCY** for Crawford, Harrison, Monona, Shelby and Woodbury Counties and do hereby **ORDER** and **DIRECT** the following:

SECTION ONE. As required by Iowa Code § 29C.6 (1), (10) and 42 U.S.C. § 5170 in cases of Presidential Disaster Declarations, this Proclamation of Disaster Emergency activates the disaster response and recovery aspects of the Iowa Department of Homeland Security and Emergency Management's Iowa Emergency Response Plan and those additional response plans applicable to the counties affected by this disaster and authorizes the use and deployment of all available state resources, supplies, equipment, and materials as are reasonably necessary to assist those citizens located in the disaster counties.

A driver who informs a carrier that he or she needs immediate rest shall be given at least ten consecutive hours off duty before the driver is required to return to service.
- C. Upon the request of a driver, a commercial motor carrier operating under this proclamation must give a driver at least thirty-four (34) consecutive hours off when the driver has been on duty for more than seventy (70) hours during any eight consecutive days.
- D. Motor carriers that have an out-of-service order in effect may not take advantage of the relief from regulations that this declaration provides under title 49 CFR § 390.23.
- E. Upon the expiration of the effective date of this proclamation, or when a driver has been relieved of all duty and responsibility to provide direct assistance to the emergency effort, a driver that has had at least thirty-four (34) consecutive hours off duty shall be permitted to start his or her on-duty status hours and 60/70 hour clock at zero.
- F. Do not exceed a maximum of 90,000 pounds gross weight.
