

## Open records information provided by the Office of the Governor in December 2012

On November 19, 2012, Wally Taylor, Cedar Rapids requested (1) Any documents showing that the Iowa Fertilizer company facility will replace a business that suffered a loss in the summer of 2008 due to natural disasters; (2) Any documents on which the Governor and or his staff relied on to determine that Iowa Fertilizer Company qualified for Midwestern Disaster Area Bonds; and (3) Any documents reflecting communications the Governor and or his staff had with other state agencies about whether Iowa Fertilizer Company qualified for Midwestern Disaster Area Bonds and about how to make a determination that the company qualified for the bonds. On December 10, 2012, our office provided a disk with eight (8) emails. There was no charge for this request.
